

# BDS FAILURES

BDS activists Mahmoud and Ahmed live just outside London and have a little problem. Mahmoud calls Ahmed. "Sorry to call on your cell phone number Ahmed, but it's important; we have a little problem, do you have a moment?"

Ahmed answers: "Sure, tell me what's going on."

Mahmoud explains: "I'm proceeding with the boycott campaign against the Jews and Israel just like we planned."

Ahmed interrupts: "Very good, but how is the Facebook page coming along?" . . . . .

## BDS Fail #1

Mahmoud says: "Well that's the problem. Facebook was created by a Jew, Mark Zuckerberg and it develops its technology in Tel Aviv, so we have to boycott it."

Problem #1

## BDS Fail #2

Ahmed sighs: "Okay you're right. Let's just instant message everyone." Mahmoud replies: "Apparently instant messaging was invented in Israel."

Problem #2

## BDS Fail #3

Ahmed thinks for a moment: "Then we'll just have to leave a voicemail for everyone." Mahmoud hesitates and then responds: "Voicemail technology is from Israel."

Problem #3

## BDS Fail #4

Ahmed says: "So lets meet instead then - we all have Waze sat nav, we can meet anywhere." "Sorry", replies Mahmoud, "but Waze is Israeli."

Problem #4

## BDS Fail #5

Ahmed is getting angry: "So phone everyone and if they don't pick up DON'T leave a message." Mahmoud responds: "A good idea, but Israel invented the cell phone in its Motorola office."

Problem #5

## BDS Fail #6

Ahmed yells: "Then just take all the boycott information and put it on a flash drive and hand it to everyone!" Mahmoud coughs: "I don't want to upset you, but Israel invented the USB flash drive."

Problem #6

## BDS Fail #7

Ahmed shouts: "Well get on your computer". Mahmoud replies: "Er. Actually, Israel invented the Intel Pentium and Celeron computer chips and the Windows NT/XP/7 system as well."

Problem #7

## BDS Fail #8

Ahmed is fed up and suggests: "Let's just all get together and talk." Mahmoud asks: "And meet where?" Ahmed says: "How about Starbucks?" Mahmoud says; "They're on the boycott list."

Problem #8

## BDS Fail #9

Ahmed is beside himself: "So there is no way to boycott Israel, its people, products, supporters and technology without using their products, supporters and technology?"

Problem #9

## BDS Fail #10

Ahmed says: "My blood pressure. Must take my Quinapril tablets with a water." Mahmoud says: "Er, Quinapril is made in Israel and your Anglian water is filtered thorough technology from Haifa-based Mapal Green Energy."

Problem #10

## BDS Fail #11

Ahmed is now very angry: "I have a headache. Must get my Naproxen." Mahmoud responds: "Sorry, that's also made in Israel".

Problem #11

## BDS Fail #12

Ahmed: "Didn't we invent anything?" Mahmoud answers: "Yes, coffee." Ahmed is almost satisfied: "Okay then, lets meet and have coffee." Mahmoud says: "You'll have to have it black; Israel is called the land of milk and honey."

Problem #12
